

### Rodstation Warranty Claim Form

There is full 12 month replacement warranty on RodStation rods, cameras, adaptors and the FlueBoss power sweeping equipment. This warranty does not cover items that have clearly been misused and consumable items that can wear during use such as Flueboss heads (Nylon, cable and chain) or any equipment used when breaking liners. During use rods will naturally bend and flex so may not remain perfectly straight. This is normal wear and not covered.

In the unlikely event that a warranty claim is necessary, please complete the form below and return along with the item to RodStation (address at the base) for checking. This warranty does not affect your statutory rights.
