

**RODSTATION** invites you: Hall A - Stand F82

Free invitation to Visit the Rodstation Stand at Bois Energie

## invitation

to the only Event dedicated to the whole wood energy chain

## ... AND IN PARALLEL WITH THE EXHIBITION?

**Discover** the latest news and products!

- Read online articles from exhibitors ahead of your visit, for a first glimpse of new products, which will be presented on the event and in the Forum area
- Discover the Innovation Competition winners, on Tuesday 15th March evening

**Listen and participate** in the conferences and workshops organised by reference actors of the sector: GIPEBLOR, GCF, AMORCE, CIBE, Propellet, FCBA, Qualibois, Flamme Verte... Read the online programme for more details.

**Visit** boilers and wood energy platforms around Nancy thanks to several Study Tours. More information online soon.
